MAKING THE FOREIGN SERVE CHINA EBOOKS 2019

Author: Anne-Marie Brady

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

This book provides the first detailed analysis of a distinctive element of Chinese foreign policy, *waishi*, the external policies intended to influence and control both foreigners themselves as well as Chinese citizens; contact with and perception of outsiders. The term also comprises China's external relations—both official state-to-state and unofficial or people-to-people; diplomacy. Anne-Marie Brady argues that by encompassing all matters related to foreigners and foreign things, not merely diplomacy, *waishi* has proven to be one of the most effective tools in the CCP's repertoire for building and then sustaining its hold on power. The author's groundbreaking research is based on a previously unexplored genre of classified *waishi* materials, extensive interviews with *waishi* officials and foreign participants of the system, as well as extensive archival research.
