## OPENING THE BOOK OF LAMBSRING EBOOKS 2019

Author: Christopher Bradford

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

The Book of Lambspring is a series of emblematic images through which the processes of Hermetic Alchemy are alluded to; it has proven completely impenetrable to the un-initiated, which has been the case for all of the true Alchemical texts. In this small work, Christopher Bradford takes each of the emblems from The Book of Lambspring and speaks with them. The Alchemical wisdom held within will shine from it and enlighten the aspiring Alchemist, while hopefully leading the practiced Alchemist down well-trodden paths of wisdom. Part of the 'Guides to the Underworld' series by Hadean Press.
